Width:

0.625 inches

Thickness:

0.003 inches

Length:

2.188 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/indicator, airspeed data 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

White inscription

Material:

Plastic

Material Specification:

Mil-d-8634 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0

Mil-std (military Standard):

Mil-d-8634 spec.
