Width:

0.720 inches

Thickness:

0.020 inches

Length:

1.411 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Part no., serial no., and mfr data 1st side

Special Features:

Basic shape is rectangular with six sides polygon

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
