Width:

0.750 inches

Thickness:

0.020 inches

Length:

1.590 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Partial legend, ref spec---, serial---, part---, series---, rating---, model---, made in u.S.A. 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/6, alloy 5083, h321 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
