Width:

0.781 inches

Thickness:

0.025 inches

Length:

0.800 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Egt 5a

Special Features:

Environmental protection: liquid oxygen

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
