**Width:**

0.781 inches

**Thickness:**

0.025 inches

**Length:**

0.800 inches

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Egt 5a

**Special Features:**

Environmental protection: liquid oxygen

**Color:**

Red inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100, h14 federal specification single material response

**Surface Treatment:**

Lacquer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
