Width:

1.625 inches

Thickness:

0.020 inches

Length:

0.968 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded top

Marking Designation:

Legend

Inscription:

W/bank and turn indicator data

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
