Width:

1.120 inches

Thickness:

0.032 inches

Length:

2.180 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Aircraft mod. --- part no. --- control no. --- serial no. --- contr insp --- --- cust insp 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
