Width:

1.031 inches

Thickness:

0.020 inches

Length:

2.312 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and solvent resistant and thermal shock resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Vehicle data

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
