Width:

0.875 inches

Thickness:

0.020 inches

Length:

1.312 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

General electric co., p/n, serial no., mfrs name, oil pump w/rotational arrows 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Ams 4003 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
