Width:

1.000 inches

Thickness:

0.020 inches

Length:

1.220 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Inscribed w/mfr item identifying data 1st side

Color:

Black and red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h18 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
