Width:

0.750 inches

Thickness:

0.020 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Fielddata adapter, type 399t-1, wt 5.1 lb, ser.No.---, collins part no.522-9619--- 1st side

Color:

Black and aluminum inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
