Width:

0.844 inches

Thickness:

0.003 inches

Length:

1.688 inches

Attachment Method:

Cemented

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Amplifier, audio fr-eq am1964/a1c stock no. 5831-809-3468 serial no. Af62-andr-ea radio corporation lic ny usa part no a81-9 us
c41-5117-001 1st side

Color:

Black inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
