**Width:**

1.906 inches

**Thickness:**

0.030 inches

**Length:**

4.250 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant and thermal shock resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Partial legend mount, howitzer, 155mm, m127 usarmy no/-----/-----/-----/-----/ publication pertaining to mount parts list snl/-----/ tech 1st side

**Color:**

White, federal standard 595, 17875 inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 2 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0

**Mil-std (military Standard):**

Mil-a-8625 spec.
