**Width:**

0.810 inches

**Thickness:**

0.003 inches

**Length:**

1.875 inches

**Environmental Protection:**

Corrosion resistant and hydraulic fluid and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Panel, radar control, p/n 49150-506

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
