View Online at https://aerobasegroup.com/nsn/9905-00-982-8758

Width:

0.810 inches

Thickness:

0.003 inches

Length:

1.875 inches

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Synchronizer-electrical radar 46174-506-81

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
