Width:

1.000 inches

Thickness:

0.031 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/mfr identification data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Ams 4003 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
