Inside Diameter:

0.266 inches

Material Thickness:

0.010 inches

Body Length:

1.500 inches

Inscription:

E

Features Provided:

Legend

Special Features:

Self-adhesive backing

Color:

White inscription background

Material:

Plastic vinyl chloride

Material Specification:

L-p-375, type 1 federal specification single material response

Surface Treatment:

Silicon

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529t0
