Width:

1.218 inches

Thickness:

0.003 inches

Length:

2.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Pitch force transducer, part no. 2586423, serial no. ---, contract no. ---, stock no. ---, sperry phoenix co. 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
