**Width:**

0.250 inches

**Thickness:**

0.032 inches

**Length:**

4.312 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Abrasion resistant and accelerated light and corrosion resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

C11 c12 c13 c14 c15 c16 1st side

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/4, alloy 2024, t3 federal specification single material response

**Surface Treatment:**

Enamel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
