**Width:**

1.130 inches

**Thickness:**

0.025 inches

**Length:**

1.850 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Transmitter, rate of flow, stock no., part no., spec no., cont no., ser no., wt, mfd, insp 1st side

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/8, alloy 5052 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
