Width:

1.120 inches

Thickness:

0.025 inches

Length:

3.440 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution platform and wheels are magnesium alloys. Use authorized maintenance procedures only. Plate no. 7049728 1st side

Color:

Yellow, federal standard 595, 13538 or yellow, federal standard 595, 13655 inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-327-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
