**Width:**

1.000 inches

**Thickness:**

0.012 inches

**Length:**

2.000 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Dry chemical valve 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

White inscription

**Material:**

Copper alloy

**Material Specification:**

Qq-b-626 federal specification 1st material response or qq-b-637 federal specification 2nd material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
