Width:

0.770 inches

Thickness:

0.032 inches

Length:

4.000 inches

Attachment Method:

Hole

End Application:

1730-00-061-3403

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Fill with hydraulic oil per. Spec. Mil&h&5606 3.6 gal. Capaci type 1st side

Color:

Black, lusterless inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
