Width:

0.220 inches

Thickness:

0.032 inches

Length:

0.800 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

E-bny/2

Criticality Code Justification:

Aybm

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
