Width:

1.500 inches

Thickness:

0.003 inches

Length:

5.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Warning to prevent a tempest hazard disconnect phone-intercom cable from signal entrance box and raceway 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Yellow inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
