Width:

3.310 inches

Thickness:

0.020 inches

Length:

4.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend army serial no. Army part no. 11684150 contract no. Model avds-1790-2dr rated rpm 2400 rotation clockwise viewed from anti-fl 1st side

Color:

Blue, dark inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
