Width:

2.313 inches

Thickness:

0.018 inches

Length:

1.688 inches

Attachment Method:

Hole

Basic Shape Style:

Oval elliptical

Marking Designation:

Legend

Inscription:

00736assy202892 ser. No.---

Color:

Blue inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-225/8, alloy 6061 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
