Width:

2.880 inches

Thickness:

0.125 inches

Length:

3.500 inches

Attachment Method:

Hole

Environmental Protection:

Abrasion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Defroster on on off off

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/6, alloy 5083-h323 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
