Width:

0.500 inches

Thickness:

0.008 inches

Length:

9.000 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Accel yaw rate demod rate gyro flight dir dcs/afcs ampl numbered j5 through j9 1st side

Color:

Black inscription background

Material:

Aluminum

Material Specification:

Mil-a-148-cancelled military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-148-cancelled spec.
