Width:

2.187 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Aircraft mod.---mfr. Code---part no.---cont no.---serial no.---cont---cust insp---insp modification incorporated---

Special Features:

Four mtg holes on 1.937 in by 2.750 in centers

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
