**Width:**

1.000 inches

**Thickness:**

0.005 inches

**Length:**

2.000 inches

**Basic Shape Style:**

Rectangular

**Inscribed Side Quantity:**

1

**Inscription:**

1st line, caution; 2nd line radioactive; 3rd line, material; 4th line, isotope ---; 5th line, amount ---; 6th line, date ---; aec radiation symbol in lower right corner single side

**Features Provided:**

Pressure sensitive adhesive tape and removeable protective backing

**Color:**

Yellow inscription background

**Material:**

Plastic and paper

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A529h0
