Width:

0.880 inches

Thickness:

0.003 inches

Length:

1.120 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Dc motor assembly part no. 19794 27.5 vdc teledyne systems co. El segundo, calif.

Color:

Black inscription background

Material:

Aluminum

Material Specification:

Mil-a-148-cancelled military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-148-cancelled spec.
