**Width:**

17.000 inches

**Thickness:**

0.020 inches

**Length:**

7.250 inches

**Attachment Method:**

Hole

**End Application:**

6115-00-017-8239

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Symbol 1st side

**Special Features:**

Wiring diagram d13213e4112 and schematic qiagram d13213e4236 shall be photographically reproduced in designated areas.

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
