Width:

17.000 inches

Thickness:

0.020 inches

Length:

7.250 inches

Attachment Method:

Hole

End Application:

6115-00-017-8239

Basic Shape Style:

Rectangular

Marking Designation:

Symbol 1st side

Special Features:

Wiring diagram d13213e4112 and schematic qiagram d13213e4236 shall be photographically reproduced in designated areas.

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
