Width:

3.000 inches

Thickness:

0.031 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend test set blade and pylon fold relay panel 65700-90850-041 27vdc serial --- for complete list of units see instruction book de 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
