**Width:**

0.880 inches

**Thickness:**

0.003 inches

**Length:**

2.250 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Danger overinflation may result in explosive failure, 5000699 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Red inscription background

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 1 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0

**Mil-std (military Standard):**

Mil-a-8625 spec.
