Width:

0.750 inches

Thickness:

0.020 inches

Length:

1.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Hyd power supply ident data 1st side

Special Features:

Dwg consists of 2 equal size plates

Color:

Blue, federal standard 595, 15123 inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
