Width:

0.750 inches

Thickness:

0.032 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

65901-02920-042 stick trim ampl 115v-10 400 cycle 28vdc 65901-02920-042now-63-0150 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Ss9048, united aircraft corporation mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
