**Width:**

0.810 inches

**Thickness:**

0.006 inches

**Length:**

1.870 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular w/notched corners

**Marking Designation:**

Legend

**Inscription:**

Partial legendhydraulic research and mfg co. Cylinder hydraulic servo part no. 41000310 serial no. --- bhc part no. 204-076-003-5 bhc specification no.

**Features Provided:**

Reflective surface and pressure sensitive adhesive tape

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100, h12 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
