**Width:**

1.000 inches

**Thickness:**

0.003 inches

**Length:**

2.000 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Weight test cert. Tested by --- test date --- tested iaw --- capacity --- 28638 - 4se00726-1 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Special Features:**

Plates to be in strip form, no less than 8 plates per strip

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
