Width:

6.000 inches

Thickness:

0.020 inches

Length:

8.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Design 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
