Width:

0.820 inches

Thickness:

0.020 inches

Length:

2.380 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Use mil-h-5606 oil fill to here full refill

Features Provided:

Observation facility

Material:

Aluminum alloy

Material Specification:

Qq-a-561, cond h14-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
