**Width:**

0.820 inches

**Thickness:**

0.020 inches

**Length:**

2.380 inches

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Use mil-h-5606 oil fill to here full refill

**Features Provided:**

Observation facility

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-561, cond h14-cancelled federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
