Width:

1.250 inches

Thickness:

0.200 inches

Length:

2.000 inches

Basic Shape Style:

H

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
