Width:

1.750 inches

Thickness:

0.040 inches

Length:

2.494 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/tab at one end

Features Provided:

Observation facility

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
