Width:

0.625 inches

Thickness:

0.020 inches

Length:

1.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Radioactive material caution reticle isotope curies---date--- 1st side

Special Features:

Material: plate, type 1, class 1, specification gg-p-455

Color:

Clear inscription

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
