Width:

2.125 inches

Thickness:

0.063 inches

Length:

6.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend use a good grade highvacuum pump oil only mil-I-83767 type ii or sunvis 31 or equal. Change lubricant every 240 hours of oper 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-359-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
