Width:

0.750 inches

Thickness:

0.063 inches

Length:

1.688 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Gas ballast valve 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-359-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
