Width:

2.250 inches

Thickness:

0.003 inches

Length:

4.380 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution do not enter when protective entrance is occupied 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Yellow inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification 1st treatment response or mil-a-8625, type 2 military specification 2nd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
