Width:

0.625 inches

Thickness:

0.031 inches

Length:

5.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Material:

Plastic epoxy

Material Specification:

Mil-p-18177, type gee military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-18177 spec.
